

# THE FIELD'S TOP SHOTS 2011

The votes are in and counted. Letters stuffed with the folding stuff have been returned to senders. This, then, is our annual and definitive list of those whose skill with the gun matches Nadal's natty racket-wielding and even, blessed memory, Big Daddy's awesome body slam. The Olympian 75 that illuminate our pages have been chosen simply because they shoot game like gods (and goddesses). Do not look here for feats of clay.
